NARBO IWRM Training

- One of the primary NARBO activities
- To develop the capacity of NARBO member staff in understanding and implementing IWRM
- We have had 4 times trainings since the Network established

Necessity for Refinement

- IWRM training program has to keep the quality and credibility.
- Registration fee may be collected by each participant.
- The contents of the training program may be discussed by knowledge partners and other experts as well as the secretariat.
- In order for above, we proposed to form the **Technical Advisory Committee.**

Technical Advisory Committee (1)

- Responsibility

- To make specific recommendations on the **objectives, target participants, qualifications of applicants, requirements for certification**, and guidelines for organization of the program including venue, host organizations, program scope and detailed content assignments and ratings, program director and trainers, financing, and frequency

Technical Advisory Committee (2)

- Expected Members
 - NARBO Executive officials
 - Some members of the Regional Water Knowledge Hub
 - Academicians and experts
 - Others

Technical Advisory Committee (3)

- Organization

- Hold a meeting once a year
- Internet-based discussion platform

- Meeting

Expected to be held in April, 2008

Notification of Next IWRM Training

- Expected to be held in November, 2008
- The venue to be informed soon
